All fund transactions are cleared through BNY Pershing LLC. Not all funds within a fund company may be available to you. Fund availability is subject to prospectus and fund family limitations, such as minimum account size and purchase restrictions to new investors as well as short-term trading and low balance fees. Please review the fund prospectus before you invest. After reading the prospectus/summary prospectus, carefully consider the investment objectives, charges, expenses, and risks of the investment company before investing. Fund families that offer load-based sales of funds are typically limited to Class A and C shares only. Lincoln Investment does not offer Class B shares for purchase.
