## **Lincoln Investment Recognizes Educators During Teacher Appreciation Week, May 4-8**

**Fort Washington, PA – May 4, 2026** – Lincoln Investment Planning, LLC (Lincoln Investment), a leading full-service broker-dealer and registered investment adviser, recognizes Teacher Appreciation Week, May 4-8 and National Teacher Day, May 5, and the nation's educators who shape the future of our communities. Lincoln Investment is proud to guide the financial futures of many teachers who dedicate their lives to the success and well-being of young people.

At Lincoln Investment, we understand the unique challenges and opportunities teachers face when planning for retirement. Whether it's navigating pension options, social security or preparing for life after the classroom, our team is committed to offering personalized financial strategies designed to secure a bright future for educators.

### **Decades-Long History of Premier Retirement Planning**

As the premier provider of public education and governmental retirement plans, Lincoln Investment has helped employees of schools, universities and other non-profit organizations prepare for their retirement for over 57 years. Investors have access to a customized financial strategy reflecting their goals and a wide selection of quality investment options including mutual funds, exchange-traded funds (ETFs)\*, fixed and variable annuities, 403(b)/457(b) accounts, IRAs, college savings plans and access to insurance products offered through its network of over 1,000 financial professionals.

### **Retirement Planning Resources and Support**

Lincoln Investment provides resources including retirement planning content, webinars, presentations, informative videos and much more for our financial professionals to share with teachers to help them prepare for retirement.

Lincoln Investment is also committed to supporting educators beyond the office. We proudly sponsor local school programs and events that celebrate the hard work and dedication of our teachers.
